

Magdalena - Carmen Zatari

Graphic Designer | Soul Photographer | Photo Editor

Profile

I am a Romanian artist based in Brussels, Belgium.

I'm a mother, an Aquarius in the horoscope and an ENFP (Campaigner) at the MBTI test. I'm vegan. I practice yoga. I appreciate kindness and creativity.

My journey began with a simple "you're ugly." That made me search for understanding what beauty means. From studies of fine arts, psychology, visual communication and personal development, I discovered spirituality as part of the concept of beauty.
